1ST ANNUAL SAVANNAH BOATS CLASSIC

Hosted by:

**Savannah Boats and The Carolina Hurricanes Alumni
@ The Silver Dollar Bar in Carolina Beach**

CELEBRITIES FOR CHARITY

The first of its kind “celebrities for charity fishing event is expected to raise more than \$150,000 for Team Red, White & Blue (Team RWB), a non profit dedicated to enriching the lives of America’s veterans through physical activity, social connection and community engagement. This is a cause worth casting for, “it’s great because all proceeds from the tournament will be donated to Team RWB, with additional contributions going to the Carolina Beach Inlet Association, said former Carolina Hurricanes forward Bates Battaglia. “Our veterans have sacrificed so much for our freedoms, and this tournament is our way of giving back, not only to them but to our local waters and community. We’re combining the thrill of competitive fishing with a cause that matters deeply to us.”

A photograph of three people on a white boat named "SAVANNAH" is positioned in the top right corner. The boat is on the water, and the people are dressed in casual summer attire. The name "SAVANNAH" is visible on the side of the boat.

ABOUT TEAM RWB

MISSION: ENRICHING VETERANS LIVES

VISION: FORGING AMERICA'S LEADING HEALTH
AND WELLNESS COMMUNITY FOR VETERANS

In the military, service members push the limits of their well-being to support the mission. That selfless service posture has always been necessary because service members of every era knew they may be called to war. As they move into civilian life, many veterans carry that mission-first mindset with them, neglecting their health in the process.

We believe that veterans are America's most resilient citizens — and it's time for more veterans to prioritize their well-being first.
